Dear CMS Families-

Thank you again for your assistance in making the beginning of the school year successful. We could not have done it without you. As the school year continues to move forward, we are entering the part of the year where family vacations are prevalent. CMS will need to adhere to Governor Murphy's guidelines regarding travel outside New Jersey.

We are asking that you notify the district if you are planning on taking a family vacation in the near future. If you will be visiting a state that is on the Travel Advisory List, your children will need to quarantine from school for 14 days upon return. They will have access to all assignments within their Google Classroom account. Please send all emails to Margaret Teeney at mteeney@crestmem.edu.

Sincerely,

David J. Del Conte Jr.
