The Department of Health Regulations and the New Jersey Administrative Code have mandated the required medical documentation for school attendance. They also require notification of the importance of obtaining subsequent medical examinations of the student at least once during each developmental state. Please submit the following document(s) for your child as soon as possible (they can be faxed):

___ Physical Examination Report (NJAC 6A:1622.2) – Please use sports form in case student decides to join a sport/club.

___ Immunization Records (Chapter 14 New Jersey State Sanitation Code Immunization of Pupils in Schools)

___ Varicella: 1 dose required on or after the first birthday

___ DTP: 4 doses required with one after age 4, or any 5 doses

___ Polio: 3 doses required with one after age 4, or any 4 doses

___ MMR: 2 doses required on or after the first birthday

___ Hepatitis: 3 doses required

___ Meningococcal: 1 dose required entering 6th grade

___ Tdap: 1 dose required entering 6th grade

___ PPD

If you have not had these medical requirements completed, please make an appointment with your family's health care provider, Cape May County Health Department (609-465-1200), or the Complete Care Health Center (609-465-0258) immediately so you can be in compliance with these essential health regulations.

If you have any questions regarding this correspondence, please contact Kim Sorensen, the school nurse, at 609-522-1522.
