Interdisciplinary Connections	<p>1. Playing Simon Says and other listening activity develop gross motor skills.</p> <p>2. Nursery rhymes help children develop auditory skills such as discriminating between sounds and developing the ear for the music of words.</p>	<p>1. Following step by step directions help students build their working memory.</p> <p>2. Letter identification enables beginning readers to figure out how printed text is associated with the spoken language</p>	<p>1. Attention and concentration: Sustained effort, doing activities without distraction and being able to hold that effort long enough to get the task done.</p> <p>2. Nursery rhymes help children develop auditory skills such as discriminating between sounds and developing the ear for the music of words.</p>	<p>1. When conveying ideas early writing can help students use expressive language.</p> <p>2. Letter identification enables beginning readers to figure out how printed text is associated with the spoken language</p>
